

Code42 University

All-Access Education Pass and Help Desk Education

Code42 University's All-Access Education Pass (AAEP) with help desk education allows one named user access to all the benefits of the pass, in addition to two two-hour virtual instructor-led help desk education sessions for up to 15 attendees in each. The AAEP is an annual subscription that offers one named learner unlimited 12-month access to the entire Code42 University course catalog via a dynamic online learning platform, including on-demand sessions and instructor-led classes with hands-on labs.

FEATURE	BENEFIT
<ul style="list-style-type: none"> • Help desk education • Instructor-led virtual or classroom courses • On-demand learning • Progressive content • Annual subscription • Evolution pass 	<ul style="list-style-type: none"> • Interactive lectures that include the Code42 fundamentals for help desk professionals to assist end users • Interactive sessions with hands-on labs to experiment with the latest versions of Code42 software in a controlled environment • Continuing education on the learner's schedule, available 24/7 • Frequent content updates to keep skills current • Predictable yearly budgeting of cost-effective education subscription • Complimentary conference pass and pre-conference education sessions

CORPORATE HEADQUARTERS | 100 WASHINGTON AVENUE SOUTH | MINNEAPOLIS, MN 55401 | 612.333.4242 | CODE42.COM

Code42, a leading data security company, secures the ideas of more than 50,000 organizations worldwide, including the most recognized brands in business and education. Because Code42 collects and indexes every version of every file, the company offers security, legal and IT teams total visibility and recovery of data—wherever it lives and moves. With real-time alerts and forensics, these teams can easily detect, investigate and rapidly recover from any data incident, such as ransomware, lost or stolen devices, and insider threats. Supported by a global state-of-the-art cloud infrastructure, the Code42 platform safeguards hundreds of petabytes of data and helps organizations comply with evolving regulatory requirements. Founded in 2001, the company is headquartered in Minneapolis, Minnesota, and backed by Accel Partners, JMI Equity, NEA and Split Rock Partners.
