On-Demand Education Pass

Code42 University's On-Demand Education Pass (ODEP) is a flexible and convenient way for your Code42 Help Desk personnel or Tier 1 administrators to learn about Code42 system settings and ongoing support of our software. The ODEP delivers Code42 education via a dynamic online learning platform with access to progressive on-demand sessions.

The Code42 ODEP is a per-user annual subscription that provides one named learner unlimited 12-month access to view the entire catalog of Code42 University self-paced courses. As new or updated content is released, it will also be made available as part of the subscription.

Code42, a leading data security company, secures the ideas of more than 50,000 organizations worldwide, including the most recognized brands in business and education. Because Code42 collects and indexes every version of every file, the company offers security, legal and IT teams total visibility and recovery of data—wherever it lives and moves. With real-time alerts and forensics, these teams can easily detect, investigate and rapidly recover from any data incident, such as ransomware, lost or stolen devices, and insider threats. Supported by a global state-of-the-art cloud infrastructure, the Code42 platform safeguards hundreds of petabytes of data and helps organizations comply with evolving regulatory requirements. Founded in 2001, the company is headquartered in Minneapolis, Minnesota, and backed by Accel Partners, JMI Equity, NEA and Split Rock Partners.
